

It was a wonderful All Music Sunday... October 7th, 2012

Our Sunday Service was very special this week as **MUSIC** was the theme of our World Communion Sunday Special Event!

**Calvin Kimbrough** performed as our Special Guest. Calvin, along with his wife Nelia and two other couples began **Patchwork Central** in 1977 in an inner-city neighborhood in Evansville, Indiana. The Kimbroughs remained at Patchwork Central for twenty-seven years, directing its community outreach programs and living, working, and worshipping in the neighborhood. In 2004, Calvin and Nelia left Patchwork Central to work at the **Open Door Community in Atlanta**. This residential community serves meals, staffs a free medical clinic, conducts worship services and meetings, and provides a prison ministry. Zion UCC welcomes Calvin to our **All Music Sunday** service!

Rev. Deborah McBride joined our **All Music Sunday** with powerful selections bringing joy to our hearts!

Special Music presentations by Barbara Hilyerd filled the sanctuary with sounds of joy and celebration.
